

**Minutes of Board of Commissioners Regular Meeting  
East Sevier County Utility District  
October 09, 2024**

Call to Order and Declaration of Quorum:

Lisa Hawthorne called the board of commissioners meeting to order at 5:30 p.m. Commissioners present were Lisa Hawthorne, Dan Barnett and Louie Fromm. A quorum was declared. The other person in attendance was Nathaniel Allsup with TUA.

Approval of Minutes

Mr. Louie Fromm made a motion to dispense with the reading of the minutes of the September 11, 2024, board meeting and to approve as written and presented. The motion was seconded by Mr. Dan Barnett and carried unanimously.

Review of Financials

- Mr. Allsup explained will have to email financials to board members Friday. Mr. Allsup explained banking issues with Regions Bank

Managers' Report

- Replaced blow off valve at 1394 Alpine Dr (Randy Nininger)
- Replaced several valves and water line
- Mr. Allsup Reported that G&C had completed replacing the internal plumbing at Well D, Additionally, Kings filtration had replaced the filtration units at Well D to help aid in Iron removal.
- The district had completed its Lead and copper testing—All results were within the acceptable range set by the Tennessee Department of Environment and Conservation.
- The district has obtained quotes from Big Orange Electric to replace the Effluent pumps at Douglas Lake Resort.
- ESCUD installed 5 water taps and 4 sewer taps

Discussion

- Selling the extra lots ESCUD has, contact a real estate agent
- The District Board discussed selling the boom truck located at Well F property.
- GIS mapping deadline
- Mr. Louie Fromm asked that the district order the parts for internet link (bridge) at WWTP, so the district will only have to pay for one internet connection with AT&T.

- Mr. Allsup reported that District staff will start flushing the Well D footprint the following day.

There being no further business before the board, Mrs. Lisa Hawthorne made a motion to adjourn. Mr. Dan Barnett seconded the motion. The motion passed unanimously. The meeting was adjourned at 6:20 pm.
